Welcome to our New Newsletter

Dear Residents and Friends:

The Borough of Wilson is pleased to bring you this first edition of our new borough newsletter. This publication provides you with information on municipal services and officials, contact numbers for municipal offices and other agencies, and updates on current projects being undertaken by the Borough.

We extend a special thanks to the business and professional members of our community whose support through advertising has made publication of this newsletter possible at no cost to taxpayers. Please support the local businesses that support Wilson Borough.

We would like to take this opportunity to encourage all residents to contact the municipal offices for any assistance you may need. Community service is a priority for the Borough.

The Borough is and wishes to remain a financially responsible community that promotes citizen and business involvement for the betterment of quality living for our residents. We continually look towards the future to find ways to create a better community for tomorrow.

Letter from Mayor Barrett

Fellow Residents

Welcome to the new and improved Wilson Borough Newsletter! This newsletter comes at no cost to the residents of the Borough and will help inform you of local information. This Newsletter and our new website are just a few of the changes made in 2018 and we have more to come to help make Wilson a better place.

This past year has been a learning experience for me. When I first started out on my journey to become mayor, I was a concerned citizen and upset with the direction I saw the borough going. I posted about issues I saw and I attended meetings. Finally, I decided to get involved. I wanted to jump in and make a difference right away, but discovered that change takes time. We need to remember that the process for improving our community is a marathon and not a sprint. It is ongoing and we must focus on what is important and in the best interest of our community. I have to remind myself this daily and it seems to be the biggest challenge we have. I want to tell you the Borough and its operating procedures have been unchanged for a long time. As members of the Borough government, we often hear, "this is the way that it has always been done". While this perception is not anybody's fault, and is common to many municipalities, it needs to change and change quickly if we are to achieve the goals we set. We have some serious issues in Wilson and if not addressed they can lead to much larger issues in the future. We also need to follow a process and proper procedures. If you see an issue, I encourage you to come to a council meeting and voice your concerns. We as Wilson Borough Council see your issues and concerns posted on social media, but are unable to act on it unless it is formally brought to our attention. Airing the concerns on social media and other outlets may allow you to vent frustration, but it does not help getting results. We do continue to broadcast the meetings on my Facebook page, Donald Barrett Mayor of Wilson, and encourage you to watch so you are informed.

Money is a huge issue in Wilson Borough now. When I was a kid growing up in the Borough we had the Dixie plant in full swing, Mack Printing operating at full capacity, and a lot of other strong businesses right here in Wilson. That is no longer the case. Money is tight in Wilson; there is not much extra to go around. Property taxes make up the majority of Wilson Borough's revenue. Wilson has transformed into residential area without substantial commercial presence and the burden ultimately falls on us all as taxpayers. Last year, we did not need to raise taxes due to a few factors; the sale of Easton Hospital being one of them. Our average expenses or bills paid for the past four months has been approximately \$666,000. We have been looking in to alternatives to lower costs. We are working with MetEd to upgrade our streetlights over to LED which will save us approximately \$13,000 in 2019. We have equipped the police with new equipment to make

them more efficient and hopefully cut overtime. But, the scarcity of income impacts services as well.

Crime continues to impact to our borough and it is something that I, as mayor, am very concerned about. In 2017, Wilson Police responded to 5,604 calls for service. During that same time, 230 people were arrested for summary, misdemeanor, and felony offenses. The Wilson Borough Police Department also investigated 350 motor vehicle crashes and issued nearly 1,100 traffic and parking tickets. While there were several highly-publicized incidents in 2018, crime has seen a steady decline. Since 2016 we've seen a 34% decrease in Part 1 UCR Offenses. Part 1 offenses include Homicide, Rape, Robbery, Aggravated Assault, Burglary, Theft, Motor Vehicle Theft, and Arson.

Public Works is doing their best. We would love to repave streets; but once again, money is tight. They have rebuilt the handicapped ramp at Jeffery Field with the help of Steve Webber and it looks great. We had minimal snow storms this year and Public Works did a wonderful job of clearing the snow. Code Enforcement is being reworked now by implementing a new code committee to oversee and work on updating our town codes and ordinances.

The pool at Meuser Park is a service the Borough provides to its residents and is now over 60 years old. This year, it was brought to our attention that the pool was leaking and losing a lot of water. Public Works has been patching and fixing the pool for the last several years and have done an amazing job keeping it running to this point. Repairs in 2018 were too extensive. At this point we need to look to replace the pool. There are big questions when it comes to Meuser Pool: Do we spend a large amount of money to fix the pool and open another year? Do we shut Meuser Pool down and completely overhaul the pool? Do we start to modernize the pool and invest the money by applying for grants and loans to create a new Meuser Pool? We have chosen to completely renovate Meuser pool and make it viable for the next 60 years.

As all things do, the Borough is changing. It simply isn't the same as it was 30 years ago and to believe or hope that it will return to days gone by is not realistic. We as your elected officials can only do so much; the rest is up to you as a resident. I ask you to ask yourself the same question I ask of myself: "What am I doing to help make our home a better place?"

Thank you all and I look forward to 2019.

Thank you

Donald R Barrett Jr Mayor

LETTER FROM THE CHIEF OF POLICE

Since this is Wilson Borough's first newsletter, I would like to take the opportunity to introduce myself to those of you who may not know me. I have been a Wilson Police Officer for nearly 20 years. During that time, I served as a Patrol Officer, K9 Handler, Detective, and Sergeant of Patrol. I graduated from the Northwestern University School of Police Staff and Command in 2017 and was promoted to Chief of Police in March of 2018.

Wilson Borough Council has entrusted me with leading the department and I promise to work diligently to provide a professional law enforcement agency which will serve and protect its citizens. We currently have an excellent group of police officers and I look forward to working with them as they have proven themselves to be honest, hardworking, and dedicated. If you have any questions, comments, or concerns, please feel free to call me at 610.258.8746.

Chief Christian E. Meehan

Department Information

Borough Council has made a significant investment in your police department in recent years:

Wilson Borough PD is a full service 24/7 law enforcement agency. We currently have fourteen full-time officers and ten part-time officers. The department consists of the

following units: Patrol, Criminal Investigation Unit (CID) to include VICE, K9 Unit, School Resource Officer, and we have an officer assigned to the Lehigh Valley Bomb Squad.

2017 Calls for Service

In 2017, Wilson Police responded to 5,544 calls for service. During that same time, 230 people were arrested for summary, misdemeanor, and felony offenses. The department also investigated over 300 motor vehicle crashes and issued nearly 1,100 traffic and parking tickets.

Crime in Wilson

While there were several highly-publicized incidents in 2018, crime has seen a steady decline in the last several years. Since 2016 we've seen a 34% decrease in Part 1 UCR Offenses. Part 1 offenses include Homicide, Rape, Robbery, Aggravated Assault, Burglary, Theft, Motor Vehicle Theft, and Arson. This is a significant drop in major offenses and is in part due to the hard work and dedication of the men and women of the Wilson Borough Police Department.

Emergency Alerts

The Wilson Borough Police Department utilizes Nixle to notify residents of quickly developing situations such as: police activity, snow emergency declarations, road closures, severe weather, etc. The notifications are sent via text message. WHAT IS A SNOW EMERGENCY?

A snow emergency is the term used to indicate the active response plan when a snow storm severely impacts the Borough of Wilson. When a snow emergency is called you have 4 hours to remove all your vehicles from a snow emergency route; the snow emergency routes are listed below.

Cars parked on any posted Snow Emergency Route must be moved when a Snow Emergency is declared. Cars which are

not moved will be towed at the owner's expense.

A snow emergency will be advertised on 69 news, WilsonBorough.org, Twitter, Facebook and Nixle. When a snow emergency is called you may park at the tennis courts, Wilson High School parking lot and Jeffery field. Once the snow emergency is lifted you have to remove all cars from those designated parking areas.

WILSON BOROUGH ORDINANCE NO. 549 SNOW EMERGENCY ROUTES

Please be aware of where you park your vehicle during the winter months! Ordinance No. 549 designates certain streets in the borough as Snow Emergency Routes. When, in the opinion of the Mayor, the actual or expected precipitation of snow will create hazardous or dangerous conditions for vehicular or pedestrian traffic, he shall have the authority to declare a Snow Emergency. Once the emergency has been declared, vehicles may not be parked on Snow Emergency Routes. These routes are clearly marked with signs. Snow emergencies will be declared a minimum of four hours in advance. The public is notified of the declaration by local television, radio, the Borough's website, and Nixle (see Nixle.com for details). Wilson Police do their best to have the vehicles moved, but if the vehicles are still parked on the routes after the Snow Emergency had been declared, they can be ticketed and towed. If you have plans to go away during the winter months and your car is parked on a snow emergency route, please make prior arrangements with someone to have it moved in case a snow emergency is declared.

Wilson Borough would like to thank the businesses and to recognize them each as supporters and cornerstones of our community. For it is with their contributions that this newsletter has been produced at no charge to our residents.

We make the grade for care. And set the bar for safety.

You do so much to keep your family safe – and so do we. Easton Hospital has earned an “A” from the Leapfrog group, the latest sign that patient well-being will always remain among our highest priorities. Plus, as part of the Steward family, Easton patients experience greater cooperation between doctors, specialists, and insurers for improved outcomes. To learn more about the world class care your family deserves right here in your back yard, visit easton-hospital.org.
