

Northampton County Conservation District
presents:

Spotted Lanternfly
Tree Banding Workshop

Date: April 15, 2019

Where: Northampton County Human Services Building;
2801 Emrick Blvd, Bethlehem

Time: 5:30 PM to 6:30 PM

IT'S FREE TO ATTEND:
sample bands will be provided while supplies last

Presenters, Amy Korman and Linc Coffin, of PennState Extension, will walk you through which trees to band on your property, how to safely band the trees, how to monitor the bands and how you could report information to assist with the reduction of the population of this invasive species
