### **What residents can expect**

**Typical construction hours are 7:00 a.m. to 5:00 p.m. During construction, residents may encounter lane restrictions, detours, traffic delays, and posted parking restrictions. Please observe signs and speak with the on-site foreman if access to your vehicle or property is blocked.**

**UGI customers along the project route will experience brief natural gas service interruptions. UGI will arrange access to affected homes and businesses to relight equipment. For properties with indoor meters, UGI will coordinate with customers regarding relocation of the meter outdoors.**

**Temporary restoration of roads, sidewalks, and grass will occur after underground work is completed. Final restoration may take several weeks or longer, depending on ground settlement, scheduling, and weather conditions.**

### **Important information for property owners**

**UGI has mailed notices to affected residents and businesses and will provide additional notification as construction approaches. Tenants are asked to share the notice with their property owners.**

**Former UGI customers whose accounts have been inactive for more than two years, or whose meters have been removed, should contact UGI at 800-276-2722 before work**

**begins if they wish to reactivate service. UGI advises that these properties' service lines will be severed during the project.**

**Residents interested in connecting to natural gas can visit [www.ugi.com/digs](http://www.ugi.com/digs) for eligibility and offer details.**

**Questions about the project?**

**Please contact UGI directly:**

- **Email: [ConstructionProjects@ugi.com](mailto:ConstructionProjects@ugi.com)**
- **Phone: 800-276-2722**
- **Website: [www.ugi.com/construction](http://www.ugi.com/construction)**

**Thank you for your patience and cooperation while UGI completes these improvements.**
